

FRIENDS OF KIDDERMINSTER VALENTINES

January 2015

Welcome Jane

Doreen Harkins, choir chairman,

hands the contract to Jane Richardson confirming her appointment as the new Musical Director of the Valentines. Congratulations Jane!

Jane is now putting us through our paces as we begin to learn new material to ensure future programmes will include new songs as well as a few familiar favourites. Our linguistic skills are being challenged by songs in Italian and Japanese  - however, we can congratulate ourselves for having sung in Latin and German in the Christmas Concerts.

Happy new Year! Warm wishes for 2015

The Christmas season has passed and the choir successfully performed in a number of wonderful concerts. Audiences enjoyed programmes of both traditional and modern Christmas music and were very enthusiastic participants in the community singing. The festivities ended with the annual concert at Pound Green leaving us all in the Christmas Spirit. We have been invited once again to return there next Christmas. 

Forthcoming Concert

Our next concert will be at Kidderminster town Hall on **February 14th**. We are delighted to announce that the Bournemouth Male Choir will be singing with us. This choir is an exceptional choir with wonderful voices and an incredible repertoire. You may want to take a look at their website or enjoy a taste of their music on you Tube. www.bournemouthmalechoir.co.uk

Tickets are now on sale. We hope to see you there.

Support for Charities during 2014

As you know, at each concert we raise money for nominated charities. We are very very pleased to announce that the amazing sum of **£10,750** was raised and donated to various charities across the year. We thank you for your support with this.
