

# FRIENDS OF KIDDERMINSTER VALENTINES

AUTUMN 🍁 🌿 🍄 🎃 2018

Well what an amazing Summer we have enjoyed this year! Yet still The Valentines press on with extending their repertoire to be able to offer the audiences new and varied music.

Recently we were proud to have been invited to perform at the W.I. Centenary celebration held at Avoncroft Museum. We sang in two very different, beautifully preserved, historical buildings, the Gueston Hall with the amazing roof and The Cockpit which rang with the closing hymn, Jerusalem, sung by choir and audience. As the night became darker, special lighting added to the truly celebratory atmosphere.

## Celebration of Voice and Brass

Some members of The Valentines will be taking part in the Celebration of Voice and Brass in support of Cancer Research Uk. This wonderful event will take place at the Royal Albert Hall in London. The regional rehearsal took place in September in Swindon. Once again the choristers have more words and music to learn but all in a good cause.

## The Valentines host the Alcester Silver Band

There will be a wonderful concert in Kidderminster Town Hall on Saturday November 17th 2018. This will be the first concert the Silver Band and Valentines have performed together. A delightful evening of popular film music awaits.
